DUE TO CONTINUAL PRODUCT DEVELOPMENT, FINAL PRODUCT SPECIFICATIONS AND IMAGE MAY CHANGE WITHOUT NOTICE.

Product Features and Benefits

Material	Made from calcium silicate panelling, metal framing and porcelain tile workbench. Panelling is finished in a high quality stucco spray stone. Product includes sink, tap and wooden chopping board. Whilst UV protected and almost waterproof; we recommend installation in an area that is not exposed to rain or direct sunlight.
Stainless Steel	All external stainless steel is made from high rust resistant 304 grade s/s
BBQ	Island module designed for the BRIGHTON BUILT IN 6B BBQ (LPG or NG) Please see Brighton specification sheet for more information (BRLPC-13 or BRNGC-13)
Beverage Cooler	Beverage cooler module is designed for the Everdure Beverage cooler: EBC208SS. Please see EBC208SS specification sheet for more information.
Warranty	12 Month warranty
Colour	Grey stucco + grey tile (modules can be professionally repainted if desired)
Certification	All Everdure modules and gas BBQs are fully certified by the AGA. Tap supplied is WELS rated (4*). Sink waste is Watermark approved.
Packaging	All modules are preassembled and arrive flat packed in a sealed wooden crate

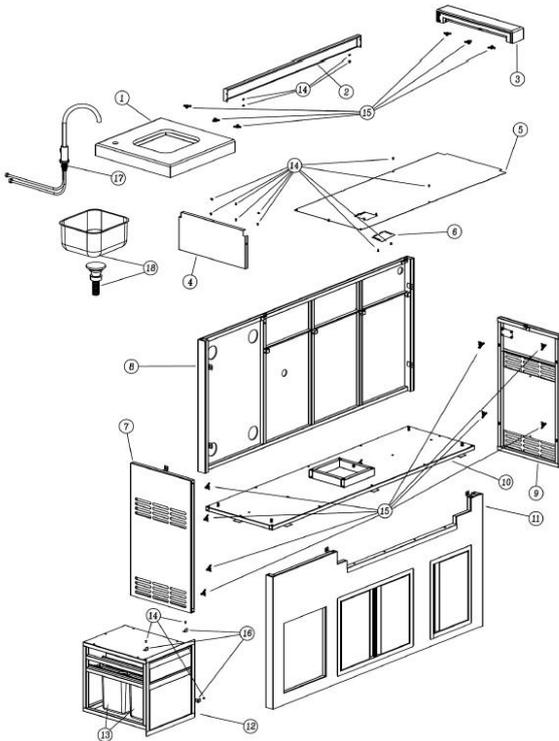

Specifications
