DW100CD**

QUICK INFO

Dellcool Silent Bar Fridge With Freezer. A fantastic new product utilizing the latest in 'absorption cooling' technology to ensure reliable operation. Unit has electronic controls and is Silent in operation making it great for motels, accommodation venues, nursing homes, school dorms and more.

With 3 x adjustable shelves, a crisper and 3 x door shelves you have plenty of fridge storing options. A mini freezer, reversible door, low energy consumption and inner led lighting add to the many features that make this unit cover all bases. This will be a huge seller on the market, we are so happy to have been part of the design and manufacture process. NOTE: The room temperature MUST not be above 28°C for this type of mini fridge to cool properly, it DOES NOT have a compressor.
