Napoleon have again reinvented the portable gas grill with yet another industry innovation and design for the ultimate grilling experience. With this ingeniously thought-out pizza and rotisserie set, your TravelQ™ easily transforms into a multifunctional outdoor kitchen.

Turn your Napoleon TravelQ™ into a Pizza Oven and a Rotisserie Grill.

The heavy-duty Pizza Oven and Rotisserie kit (ref 69284) is supplied as a complete and easy to install set with all necessary parts consisting of:

- » Stainless Steel cooking space extension with detachable door.
- » Square Stainless-steel skewer (holds food up to 5.5kg).
- » 2 Stainless Steel forks with 4 prongs.
- » Powerful 220-240V motor (12kg/cm of Torque).
