

Bringing the worlds best chillers to Australia

MODEL:
SGT1R-BS

QUICK INFO

The Rhino upright glass door fridge range has been made especially with shallow depth of 515mm, to assist with installations that are tight for room. Not only does the unit boast brand name parts it also looks stunning with polished stainless steel interior and long bar handle on door.

Featuring LOW E glass and heated body to prevent condensation, the unit is powered by premium global components — EC ultra-low energy fan technology (Germany and Taiwan) for reduced power use and longer lifespan, and a trusted GMCC high-efficiency compressor for quiet, dependable operation you can count on.

PARTS AND ENERGY INFO

- R600 100% ozone safe gas
- LOW E glass
- LED lighting
- German and Taiwan energy saving EC fans
- Cyclopentane foaming and an Energy saving compressor.
