

# Bringing the world's best chillers to Australia

## MODEL: **SK168W**

### QUICK INFO

Classy upright quiet running wine fridge designed especially with a shallow depth for areas where space is a premium. Unit is front venting and design to be free-standing OR built into a cavity, it comes with special brackets to attach to the wall for stability.

It has the highest quality inverter driven EMBRACO brand compressor that is excellent for low energy usage when cooling and the 'dimnable' 5 x LED light colour choices of white, red, orange, blue or green make a great feature. Reversible door with lock and triple glazed LOW E glass prevents condensation.\*\* Remember brackets come with unit to secure to wall - being so shallow it has small chance to topple if empty And opening door\*\*
